MAHARASHTRA STATE BOARD  
OF SECONDARY & HIGHER  
SECONDARY EDUCATION

- Commerce • General Science • Computer Science • Electronics
- (Optional Subject: Information Technology)

**2017-18  
BROCHURE**

## Our Founder

Universal Education was founded by the guiding spirit of our patriarch, Shri Sudhir Madhavji Lall, who laid the foundations of UE in 1968 and built it from scratch into one of Mumbai's largest and most reputed private educational institutions. He was a visionary of great ideals, but retained a lifestyle of simplicity. He conducted himself with total dignity and impartiality. His values, vision and

goals were simple - to lead by love, by trust and by example. During his professional career, Shri Lall championed many causes, but none so fiercely as educational reforms. Unfortunately, he left for heavenly abode on the 1st Sept. 2002. His son, chairman of the institute, Shri Jesus Lall has since then strengthened UE, transformed it and ensured its growth in keeping with his father's dreams.

Late Shri Sudhir Madhavji Lall, Founder

## Message to students from Chairman

You are entering the next phase of your academic life. These years will prove to be a turning point of your career. Your efforts during the current year will help you set a strong foundation for your careers. We, at Universal Education, are determined to empower you to stay focused in your efforts to achieve your best.

In addition to excellence in academics in the classroom, we are looking at providing hands-on experiences that will help you to consolidate learning. We have put together a package based on the stream and the class you are pursuing.

Our intention is to make our students competent human beings and not merely degree holders. Sports, dance, music and art and activities of social responsibility should become an integral part of your daily lives.

We believe that participating in various competitions and practising for the same will keep your interest alive and keep you agile mentally and physically.

We would like to take this opportunity to invite everyone individually, and in groups to approach your Principal for planning these activities and begin early practice sessions. Our team will be ready to offer you required support wherever necessary. We are happy to engage special coaches/trainers for you, should we see serious amounts of dedication and interest in your endeavours. Wishing you every success.

Mr. Jesus Lall, Chairman

### Redefining Education and Learning

Universal's acclaimed education system  is an integrated, comprehensive, KG-to-PG educational model.  was designed and refined over the past 3 decades. Truly reflective of Universal's educational beliefs,  is built on five cornerstones of educational excellence:

Efficient administration that delivers smart solutions for learner satisfaction and success.

Engaging technology-rich content delivered interactively to make learning come alive.

Emphasis on wholesome growth through creativity, values, fitness, cultural literacy & life/career skills.

Intellectually demanding curriculum that combines academic rigour with practical relevance.

Robust learning facilities that are exciting, flexible, healthy, secure and sustainable.

## Admission Information

Admission to First Year Junior College will be conducted as per the online admission system by Maharashtra State Board. A student who has passed the S.S.C. examination by the M.S.B.S.H.S.E. or any other examination recognized as equivalent thereto (C.B.S.E., I.C.S.E., N.I.O.S., etc.) is ELIGIBLE. Applicants must produce the following ORIGINAL documents at the time of admission.

- Statement of marks (Class X) along with 2 photocopies of the same.
- Passing certificate (Class X) along with 2 photocopies of the same.
- Leaving certificate OR Transfer certificate along with 2 photocopies of the same.
- 3 recent stamp size photographs.
- If there are any other requirements, the same will be mentioned on the college notice board.
- For the students who have appeared for an equivalent examination to the S.S.C., a migration certificate along with 2 photocopies of the same will have to be submitted in due course for an eligibility in Maharashtra State Board.

## Rules

**Refund of Fees:** In case of Cancellation of Admission, fee paid by students will be refunded as per rules.

**Attendance:** Minimum 75% attendance per term in all Theory lectures and Practicals / Tutorials is required of every student to be eligible for grant of Term.

- Use of mobile phones is restricted in the Classrooms, Corridors, Laboratory and Library. Wearing ID cards is compulsory.

### Railway Concessions:

- Students can purchase Railway Season Tickets at concessional rates only between Goregaon railway station and railway station nearest to their residence as indicated on their College Identity Cards.
- The native place declared on the admission form will be the basis for long journey concessions.

## Rich Campus Life

### Computer Labs

At Universal, we have hi-tech Computer Labs with up-to-date software, speedy internet access and faculty to guide. Students use the Computer Labs to perform developmental experiments, conduct research and work on projects.

### Science Labs

Experiments are a vital part of education for all Science students. Our Science Laboratories are spacious and well equipped. We also have experienced supervisors and instructors to guide the students to perform their Practicals in the best possible way.

### Air Conditioned Classrooms

The classrooms are fully air-conditioned to ensure that students learn in a conducive and comfortable environment.

### Audio Visual Facilities

Our college is equipped with state-of-the-art AV facilities which enhance the learning experience of the students via visual aids.

### Library

Our library offers access to extensive electronic information resources and is also well-stocked with books, periodicals and journals. The dedicated library staff ensure that students can use all the resources they need to meet their academic requirements.

### Cafeteria

Our cafeteria will take you into a zen-like zone with its delectable food delight. Hot and cold beverages and an extensive selection of Indian and International snack and meal refreshments define the menu.

## Special initiative for students

### Lecture notes for F.Y.J.C. & S.Y.J.C.

F.Y.J.C. being the entry year, students often get tensed while preparing and compiling notes and studying for theory subjects. Understanding this, we have designed Lecture Notes for Organization of Commerce and Management, Economics, Secretarial Practice and Biology and these are provided to the students at no additional cost. We also provide Lecture Notes for S.Y.J.C. for Organization of Commerce and Management & Economics.

### Test Series for S.Y.J.C.

S.Y.J.C. is a crucial year in the life of a student. In this year, the students appear for HSC board exams and compete with lakhs of students from the entire state of Maharashtra. We have designed a curriculum for S.Y.J.C. in such a way that our students get enough writing practice throughout the year in a Board Exam simulated environment. This is done with the help of our self-designed test series which initially starts with monthly tests covering 2 to 3 chapters per subject, followed by Terminals and Prelims. Continuous writing practice helps the students find their own mistakes, rectify the same and score better marks during the board exams. Assessment of these papers is on par with the board marking scheme.

### Problem sheets for F.Y.J.C. and S.Y.J.C.

Our teachers have prepared problem sheets for practical subjects covering each aspect of the allotted sheet and these sheets are issued at no additional cost to the students. This helps in saving a good amount of time inside the classroom which otherwise would have been squandered in dictating the problems. This also enables the faculty to have head to head discussions with each student.

## Seminars, Workshops & Academic Activities

### Workshop on Log Tables and Basic Calculation

The workshop of Ms. Pinky Sondh on how to use log tables in Physics and Chemistry turned out to be immensely beneficial to the students.

### Biology- Study of Life

Students received useful guidance on the career options available in the subject of Biology after completion of twelfth standard from the career guidance seminar. They touched upon different career options like medicine, health care, animal science, plant science, etc.

### Science and Commerce Fair

A fair was organized by students and teachers to emphasize the 'play-way' method of learning. The fair filled the college atmosphere with splendid memories that are bound to last a life time.

### Commerce Club

This club is **FOR** the students and **BY** the students, with the support of the lecturers. The purpose is to encourage student participation in various commerce related activities to enhance their knowledge on commerce topics. Several activities like debates, skits, power-point presentations, exhibitions, etc. were organized for the students.

### TECH-NEST CLUB

This club was inaugurated and formed for IT/CS/Electronics students with the intention of making them aware of new inventions and developments in the vast field of technology. The club organized a seminar on Cyber Law and Cyber Crime. The club also organized a workshop on Tally for the Commerce students to help them learn techniques based on accounting principles.

### Armed Forces - A Viable Career Option

Dr. (Captain) Sachin Pendse of the Indian Navy was invited to the college. He motivated the students to join the armed forces. Videos and power point presentations were also shown to the students on Army, Navy and Air Force so that they make informed career decisions while choosing their career paths.

### Yoga Day

World Yoga Day was celebrated with great enthusiasm and participation in the college. Ms. Ruchi Gulati conducted a session on yoga for the students who were introduced to various Asanas as well as Pranayam.

### Field Trips

At Universal, out-of-the-class learning is of utmost priority for us. A trip to MTNL Powai was organized for Science and Commerce students to learn cables, communication systems and data networking. Our Science students visited Universal College of Engineering Vasai. They attended workshops on Android and Robotics and learnt a lot. Every year, we take our students to Maharashtra Nature Park and discuss with them in detail about its flora and fauna. A visit to the RBI museum helped students to know about the coinages of India, paper currency, gold bars and financial instruments.

### Hindi Divas

Hindi Mahotsav ki umang, Harshollas (Harsh aur Ulhas) ke sang...' an inter-college competition recorded 350 entries from more than 45 colleges. Competitions like poetry and songs on 11 emotions, debates and street plays were judged by eminent and well-known personalities. Winners were felicitated with cash prizes, trophies and certificates.

## Sports Activities

### DSO Inter School/College Chess Tournament

DSO Inter School/College Chess Tournament was organized in our college for 2 days. More than 625 students participated in the Tournament from over 185 schools and colleges.

### Inter Collegiate Judo Competition

More than 150 students participated from various colleges took part in the inter collegiate Judo competition. This competition promoted fitness and encouraged self-defense activities among our students.

### Annual Sports Day

Our students exhibited drive and passion on the Annual Sports Day held at Prabhodan Thackeray Kreeda Sankulan, Goregaon. The event was flagged off by Mr. Sachitanand Bhosale, Superintendent, Central Board of Excise and Customs, Mumbai. There were track and field events and the Champion's trophy was awarded to a male and female student.

### Cultural Day

Cultural Day is eagerly awaited by students and teachers alike. The college organizes competitions like face painting, solo singing, mehendi, drawing, nail art, rangoli, solo dancing and t-shirt painting for students.

### Music Hangout

This year marked the inauguration of Music Hangout- a club that is meant for music lovers and musicians. Musically inclined students – be it in vocal or instrumental or even having a keen ear for music gather around every Saturday and display their talents. The response from the students has been tremendous and their enthusiasm is seen every Saturday.

## SOUL of Universal

In a bid to promote the talent of the students and celebrate the zeal of the youth, the Annual Inter Collegiate Cultural Fest- SOUL OF UNIVERSAL was organized. The event was a synergy of the youth creativity and talent quotient. The theme of the event was 'SOUL of Universal ka Mela'. The event started with elimination rounds and culminated in the Grand Finale at Raghuleela Mall, Kandivali.

Indoor Events included on-the-spot Canvas Painting, Street Plays, Tattoo Making, Mehndi Mania, RJ Hunt, Design It Yourself, Rang De, War of Words, etc. The stage events were Mr. & Ms. Soul, Fashion Show, Beat Boxing, Singing, Duet & Group Dances.

SOUL of Universal has garnered great responses with participation from more than 200 colleges in a variety of events & 10,000+ students coming in from across the city to be part of the event.

## Sports Achievements

Shrinivas Poojary was awarded the Best Athlete at the State Level wherein he won 2 Gold Medals and 2 Silver Medals in Running and Relay Race. He also won many Gold, Silver and Bronze Medals at District Level.

Pratikesh Chavan won a Silver Medal in Teakwondo Competition at Taluka Level.

Second Prize in Science Exhibition at Vidya Vikas Junior College

Sneha Chalke won Gold and Bronze medals at the DSO District Level Competition (Karate).

Josana Mathew won a Bronze Medal at DSO District Level in Rifle and Pistol Shooting.

The Boys' Team of our college won Silver Medal in Football as well as Tennis at DSO District Level

**DSO and Divisional Level: Our students won a total of 28 medals, out of which 9 were Gold Medals.**  
**National, State and Intercollegiate Levels: Our students won a total of 19 medals, out of which 12 were Gold Medals.**

**Lords Universal Junior College of Commerce & Science**
