## Our Founder

---

***Late Shri Sudhir Madhavji Lall***  
*Founder*

Universal Education was founded by the guiding spirit of our patriarch, Late Shri Sudhir Madhavji Lall, who laid the foundations of UE in 1968 and built it from scratch into one of Mumbai's largest and most reputed private educational institutions. He was a visionary of great ideals, but retained a lifestyle of simplicity. He conducted himself with total dignity and impartiality. His values, vision and goals were simple, to lead by love, by trust, and by example. During his professional career, Shri Lall championed many causes, but none so fiercely as educational reforms. Unfortunately, he left for heavenly abode on the 1st Sept, 2002. His son, the Chairman of the institute, Shri Jesus Lall has, since then strengthened UE, transformed it and ensured its growth in keeping with his father's dreams.

## Message from the Chairman

---

***Mr. Jesus Lall***  
*Chairman*

You are entering the next phase of your academic life. These years will prove to be a turning point of your career. Your efforts during the coming years will help you set a strong foundation for your future. We, at Universal Education, are determined to empower you to stay focused in your efforts to achieve your best.

In addition to excellence in academics in the classroom, we are looking at providing you with hands-on experiences that will help you to consolidate learning. We have put together a package based on the stream and the class you are pursuing.

Our intention is to make our students competent human beings and not merely degree holders. Sports, dance, music and art and activities in social responsibility should become an integral part of your daily lives.

We believe that participating in various competitions and thus practising for the same will keep your interest alive and keep you agile mentally and physically.

We would like to take this opportunity to invite everyone individually, and in groups to approach your Principal for planning these activities and begin early practice sessions. Our team will be ready to offer you the required support wherever necessary. We are happy to engage special coaches / trainers for you, should we see serious amount of dedication and interest in your endeavours. Wishing you every success.

## About the College

Lords Universal Junior College of Commerce and Science located in Goregaon west is an integral part of Universal Education. Junior College represents the first building blocks of educational life outside of school. Whether Commerce or Science, Junior College ensures that you receive the appropriate education to move up the educational scale. The two years spent in Junior College will help you adapt to a changed educational environment and aid you in your pursuit of greater knowledge. In terms of specifics, selecting Commerce or Science will allow you to specialize in a particular stream during your graduation years.

## Affiliation

Junior College is recognised by the Department of School Education, Government of Maharashtra and Higher Secondary School Certificate Board to conduct classes of F.Y.J.C and S.Y.J.C. along with the bifocal course in Computer Science and Electronics which is recognised by Maharashtra State Board of Technical Education. The college website is one of the main channels of communication of the college. It contains necessary information about academic areas as well as facilities, services, notices and contact details.

## Mission Statement

To unearth and unlock potentials of students and equip them with advanced skills and technology, thereby creating capable leaders through lifelong learning and independent thought process. To this end, we will do everything in our power to create an educational system that maximizes potential and extends out of the textbook into real life.

## Vision

To develop enlightened citizens and culture of excellence in education, to empower the youth with a clear goal of achieving overall development for their future endeavours.

- Preparing to achieve a career and life goal.
- Research projects & Enhancement programmes
- Entrepreneurship Incubation Cell Support.
- Summer internships and placement assistance.

## From the Desk of the Principal

Our Institution believes that, the main aim of education is to turn rocks into sculptures and we strive for the same, not only on core studies but also on providing opportunity to each student to explore his or her own capabilities and their area of interest in curricular, co-curricular or extra-curricular activities. Empowerment of students for their all-round development through education is our goal. Today education means much more than merely acquiring knowledge. It is the acquisition of knowledge and skills, building character and improving the work-skill ability of our young talented, the future leaders. In the current pandemic situation, the institution started with online teaching and activities to enhance the skills of the students while they are home. The Institution has left no stone unturned to acquire the aim it has looked up to. Measures initiated by the Management, steps taken by the college administration, the willing contribution of teaching and non-teaching staff along with the overwhelming response and enthusiastic participation of my dear students in the college activities in the recent past all vouch for this.

At LUJC we believe that, 'Education' is a wholesome, holistic exercise and as such we strive to give a whole new meaning to the word. We as one family believe ourselves to be the "caregivers".

I, on behalf of Lords Universal Junior college of Commerce and Science family, welcome all the students and wish you all the best for achieving great success and reaching new heights in the coming years.

## Building A Strong Student Community

*“Taking the time to build community, to get to know your people will have long-lasting benefits”*

Lords Universal Junior College of Commerce and Science spends a lot of time and energy on building and maintaining the student's community. Belonging is a basic psychological need. We all need to feel physically and emotionally safe, we need to have close, supportive relationships and we need to feel that we are connected. Community building requires, that faculty engage with students in intentional, meaningful ways with the goal of increasing positive interactions.

**Reducing the feeling of isolation:** A big part of forming a student's community comes from creating a positive environment where the students are engaged with other students in cultural and academic activities. The overall engagement of the child is kept into consideration while the activities are planned.

**Creating Community through motivation:** A student community is framed by providing early positive feedback, providing support and creating an open learning atmosphere thereby upholding the dreams of every student.

- 25 Marks written exam will be conducted during the second unit test.
- The average marks obtained by the student will be converted into grades and displayed on the final mark sheet issued to the student for the academic year.

## SYJC Examination

Exams are a way to test our knowledge. The same value of testing knowledge and moulding students towards better results, the junior college conducts three test series and a Preliminary Examination in the first week of January. Apart from this regular exam schedule, students are provided with subject wise objectives problem sheets in order to have a better understanding and learning amongst the students. This allows them to revise the concepts covered according to the syllabus prescribed by M.S.B.S.H.S.E board. Rigorous revisions, test series, workshops and question paper solving sessions help students a lot in making their foundation strong.

## Investigation of malpractices during examination

1. It has been noticed that malpractices such as carrying books, handwritten materials, guides bringing written answer books from outside, taking answer-book out the Examination Centre, making other persons appear in place of the authorized candidate are increasing in number. Maharashtra government has passed an Act XXXI/1982 to counter-Act such actions.
2. Material used for malpractices and answer books of the student caught indulging in malpractice during the examination should be confiscated and their statement and signature should be taken on it. After taking the first answer book and illegal material of the student into custody, the student should be given another answer book to write.
3. The second answer book should be marked as 'Dummy' in red ink and the candidate should be allowed to write the paper in the scheduled examination time. If he/she tries to copy again, he/she should be sent out of the Examination Hall and should not be allowed to appear for that paper again.
4. Student's first and second answer book, illegal material along with required signatures, and statements/ remarks of Supervisor & Chief Conductor should be sent to Unfair Exam Committee

## Success Stories AY 2025-26

My experience at Lords Universal Junior College of Commerce and Science has been an important and memorable phase of my academic life. The college provides a supportive environment where students can focus on both studies and personal development.

The teaching staff at college is knowledgeable and helpful. Teachers explain concepts clearly and are always ready to self doubt, which make learning easier and more interesting. Their guidance has helped me improve my understanding of subjects and perform better in exams.

The college also offers good facilities such as classrooms, library, and various subjects laboratories. The facilities like these make students comfortable. Various events, competitions, activities are organized, which help students show case their talents and build confidence.

Overall my experience here has helped me to grow academically as well as personally, and I always value the memories and lessons gained in this journey so far.

**Afsheen Afsar Shaikh**  
**Science: Bio-IT**

At Lords Universal Junior College, my journey has been nothing short of transformative, marked by a powerful synergy between rigorous academics and relentless pursuit of athletic excellence. I excelled in both, proving that a holistic approach to education is the ultimate key to success.

In the classroom, I witnessed a significant surge in my academic performance, as the college's supportive environment and engaging curriculum helped me sharpen my intellectual capabilities and achieve new milestones in my studies. Simultaneously, I fully immersed myself in the vibrant sports culture of the campus, participating across the entire spectrum of available athletic programs. Whether on the field or the court, I pushed my physical limits, developed leadership skills, and embraced the spirit of sportsmanship.

This dual success has not only bolstered my confidence but has also equipped me with a disciplined mindset and a well-rounded perspective that I will carry forward into my future endeavors. I am really thankful for all the teachers and Principal Ma'am for helping me to shape my future.

## Success Stories AY 2024-25

---

My experience at Lords Universal College was truly enriching. The teachers here are extremely polite, attentive, and always ready to help. They make learning engaging and ensure that every student receives equal attention. Doubts are solved with patience, and the overall teaching approach is very student-friendly. The college also boasts a lavish and well-maintained infrastructure, providing a comfortable and motivating environment to study in. In terms of extracurricular activities, the college is highly supportive. Every student gets access to various sports and is encouraged to explore their talents. Sports materials are provided, and opportunities to showcase skills are always available. The non-teaching staff is also very helpful and plays a key role in maintaining cleanliness and discipline throughout the campus. Overall, my two years at Lords Universal Junior College were memorable, and I'm grateful for the learning, support, and growth I experienced during my time here.

**Dimple Arjunpuri

Over the past two years at college, I have gained valuable academic and personal growth, greatly influenced by the dedication and expertise of our teaching staff. The faculty members were not only knowledgeable in their respective fields but also approachable and supportive, always encouraging students to think critically and explore new ideas. Their teaching methods were a balance of theory and practical application, which helped in building a strong foundation in my subject. Additionally, the college provided beautiful classrooms, IT lab, amazing canteen and a library, that created a productive environment for learning. This combination of excellent teaching and top-notch facilities made my two-year college journey both enriching and inspiring. Whenever we have a doubts teacher are always ready to solve it. Because of each and every teacher we have learnt a lots of things from them.

"I am Samuel Ghosh and I' am pleased to share my experience as a Student of Lords Universal Junior College. The institution has provided me with a well-rounded educational journey, combining academic excellence with personal growth." "My experience at Lords Universal Junior College has been incredibly rewarding. The institution provides an excellent learning environment with well-qualified faculty. I appreciate the Air-conditioned classrooms and well-stocked library, which enhance the learning experience with modern infrastructure and vibrant campus life. "I truly appreciate the teachers for their dedication and passion in teaching. Their ability to explain complex concepts in an engaging and understandable way makes learning enjoyable; They are polite and helpful with everyone. Their support and motivation have played a significant role in my academic growth. In Case of sports every student gets excess for whatever sports they want to play, material for sports are available and provided to all. The non teaching staff of the college is also helpful, maintains cleanliness and discipline in the college.

Lords Universal College provides a supportive learning environment with approachable teachers and a well-structured academic system. The campus is clean, disciplined, and well-equipped with essential facilities, including sports and stationery. The non-teaching staff is helpful, and arrangement of seating in the canteen could further enhance the student experience.

AKSHAT JAIN

SYJC - D (COMMERCE)

I, Mr. Akshat Jain would like to express my heartfelt gratitude to Lords Universal Junior College. Due to Covid-19 our college was locked down, but our learning never stopped. Our teachers came up with the best ideas and arranged online interactive classes on G-meet. We had fun learning sessions with our teachers, due to which we never felt that we are away from our college. Teachers are doing their best to help us understand every concept besides being a new way of teaching for them. They helped us through E-learning and brought us to a real world experience of learning with the help of images and videos. Indeed it was a great experience being a student of Lords College. It has been enriching journey so far and I would like to Thank all my teachers who always motivated us.

Being a part of this college is an honour in itself. This college offers a sea of opportunities with the practical time bounded managerial experience all through the course. Because of this pandemic we are not able to attend lectures offline but in online classes the teachers had created place to get involved and explore your passion with the great support from highly profiled faculty team and the strong alumni network. The amount of trust that our college has in its students to run so many events is a standout feature. I am grateful to have experienced on of the finest Computer Science programs in my Junior college year and continue to do more
